

This week, we have been learning to read and spell words containing unspoken 'e'.

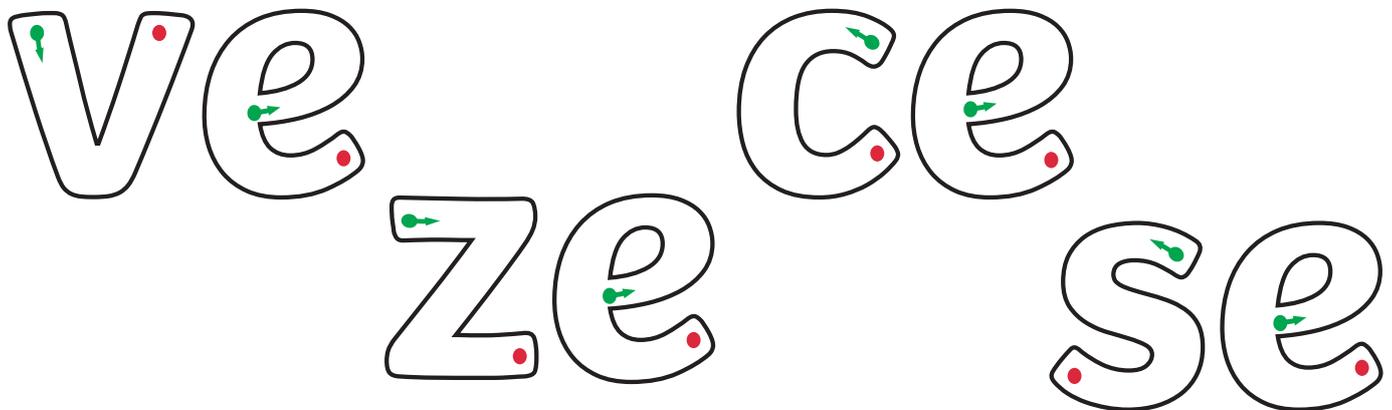

Level 5

## Top Tip

The grapheme 'e' is sometimes unspoken at the end of a word. This means that it does not make any sound and does not change the other vowel sounds in the word. This grapheme can be tricky as it often appears like the word contains a split digraph.

## Formation

Finish at the red dot.

# Home Learning Challenge

Level 5

Read the sentences below and circle each unspoken 'e'.

How many did you find? \_\_\_\_\_.

You may not believe this but Detective Blaize is very active in his spare time. Marve has a love of golf. When playing golf, he wears a massive green fleece on his right hand. The fleece is not attractive but Blaize can live with it. He will never leave his house without it.

Draw a picture of Detective Blaize doing what he loves.
