

This week, we have been learning to read and spell words with the suffix **-ing** or **-er**

Level 5

## Top Tip

When the suffix **-ing** is added to a verb, it means that the action is happening, e.g. 'sing' becomes 'singing'.

When the suffix **-er** is added to a verb, it turns the word into a noun, e.g. 'teach' becomes 'teacher'.

## Formation
